

Quotes

1. Half- Hearted apology is equal to no apology at all.
2. Truth can be hidden for long, but not forever.
3. Friendship is itself an act of serving humanity.
4. Don't let the mean world change your kindness.
5. I don't need anyone to understand me, I understand myself quite well.
6. There is no use of getting angry, sad or upset over things people do or say, they are never going to change. All you can do is handle them in 2 ways. Either you can ignore them or you can mirror them.
7. If it soothes your soul, its worthwhile.
